

FIG. 1

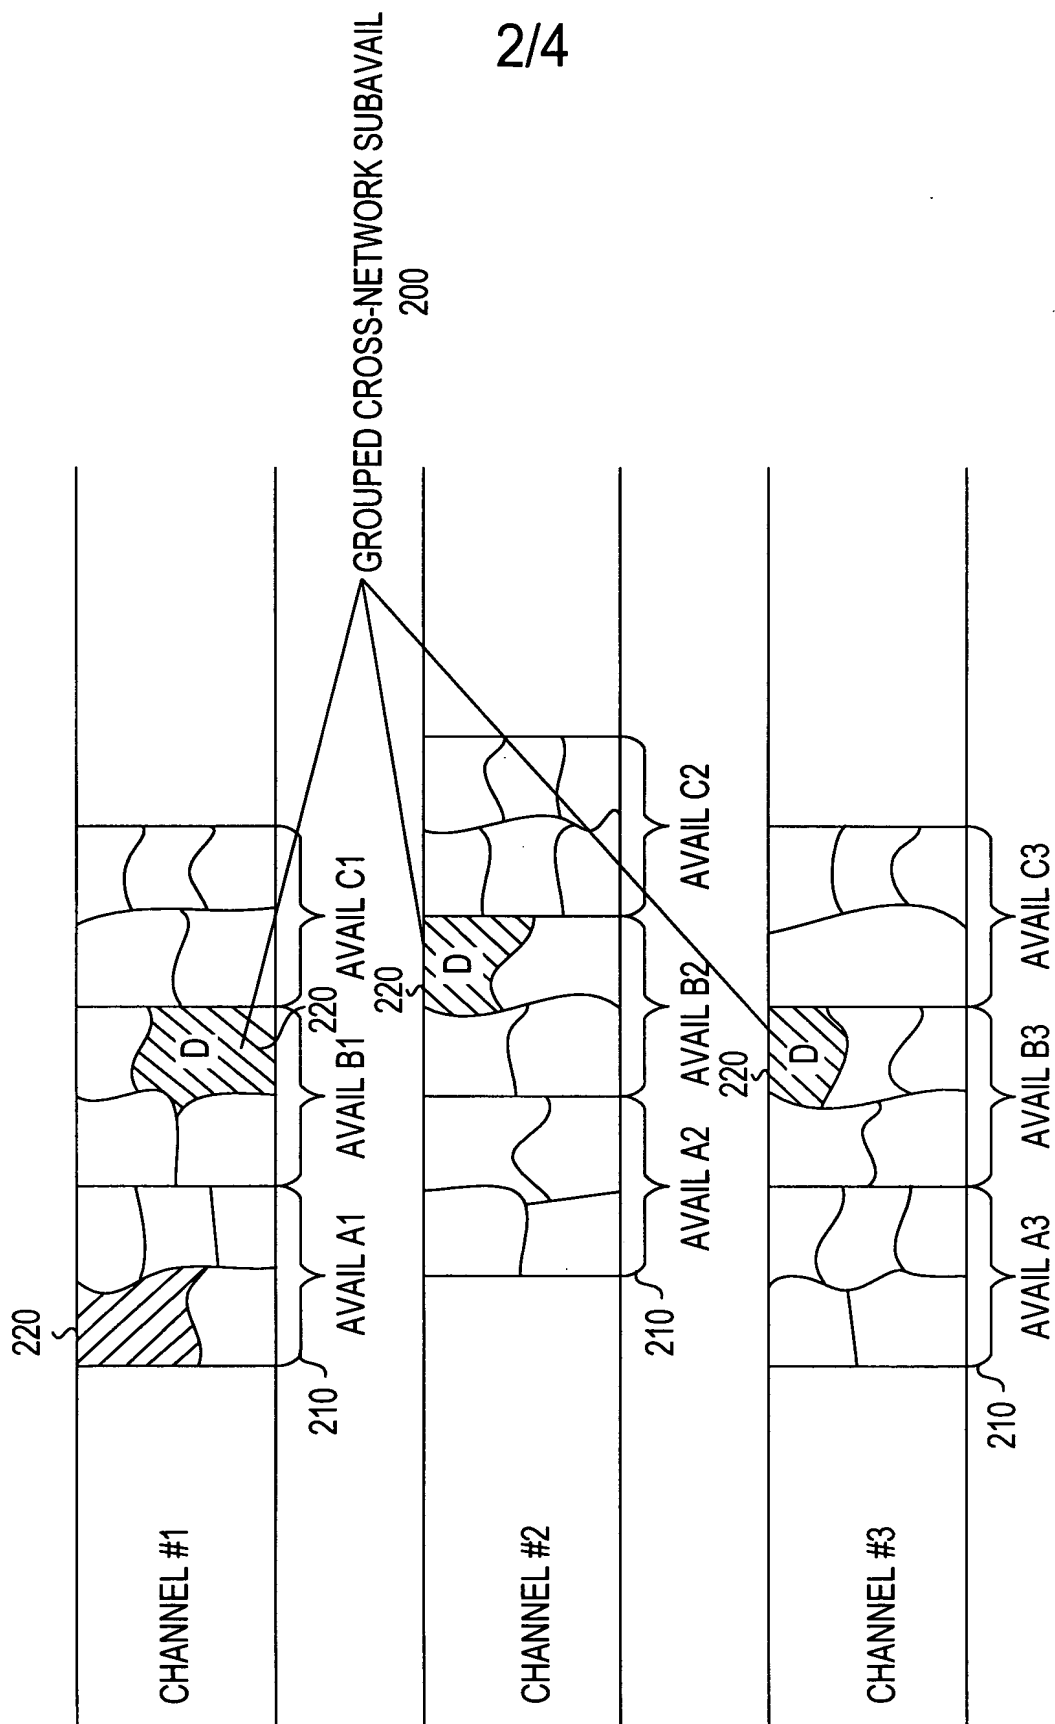

FIG. 2

FIG. 3 is a schematic diagram of a group of time sequence subavails 300, showing a channel 303 and a group of time sequence subavails 300. The diagram includes a vertical line 310 and a horizontal line 320. The channel 303 is defined by the vertical line 310 and the horizontal line 320. The group of time sequence subavails 300 is shown as a series of rectangular blocks along the horizontal line 320. The blocks are labeled with 'A' and 'B' to indicate different time sequence subavails. The diagram also includes a label '3/4' at the top right corner.
